

BREEDING CONTRACT

I hereby confirm my reservation to the stallion
BRATT Z REG: **Z 537601**
For the year **2005**

I understand and accept the following terms:

1. Fees

a. Cooled Shipping Semen: Stud fee of \$1200us or \$1500can plus 7% GST (+ 7.5% in Quebec) includes non-refundable booking fee of \$500. Booking fee due upon execution of the contract. Balance to be paid prior to shipment. Collection fee of \$200us or \$250can plus taxes would be charged each time we collect and has to be paid with the balance of the stud fee. The first collection fee is not include in the stud fee.

Collection schedule is Monday to Friday and stallion owner requires 24 hours notice to set up appointment. If you need a weekend shipment for your mare please make sure that we do a friday collection, which can be used for a Saturday or Sunday breeding.

There is a charge of \$500 for Equitainer. The Equitainer must be return in good condition (Equitainer must be shipped back within 2 days). After receipt the Equitainer in good condition we will refund the deposit of \$500 for the Equitainer.

The Equitainer's shipping fee is to be incurred by mare owner.

Please provide us with your Fed Ex no: _____

b. Frozen Semen: Fee on request. Mares must be inseminated by a qualified veterinarian. There is no live foal guarantee on frozen semen.

2. Contract

This is a Live Foal Guarantee (LFG) contract given the following conditions:

- a. A live foal is one that stands and nurses with 4-8 hours of foaling.
- b. A mare must have at least 3 anti-abort shots throughout the course of gestation and perhaps a veterinary certificate must be required.
- c. There must be due care taken at time of foaling.
- d. In the event of a dead foal, verbal notification must be immediately and a veterinary certificate must be issued within 48 hours.
- e. Once the above criteria are met, a return breeding will be given, this return must be used within 1 breeding season.
- f. It is further agreed that should the stallion die, or become unfit for breeding, then this contract is null and void.
- g. The stallion breeding certificate for registration will be issued when the mare is in foal.
- h. The LFG is not applicable to frozen semen.
- i. The stallion owner reserves the right to negate the live foal guarantee in the case of inappropriate broodmare management.

3. MARE CARE

- a. You will provide a negative "equine Infectious Anemia" (Coggins Test)
- b. In the event of an emergency, if a veterinarian or farrier is required for the mare or the foal, these services will be at the mare owner's expense.
- c. Mare care is \$25can per day.

I/we hereby agree to breed the mare:
